

## EXPO 3

### Galvanised Boltless shelving.

EXPO 3 uses the same upright as our EXPO 4 shelving system, but has the unique shelf design which can have capacities up to 300kgs UDL. The design is based on a pair of shelf carriers and the combination of 100mm or 200mm panels to make up the required depth.

- **Hard wearing galvanised finish**  
Tough and bright finish that will last the rigours of any environment
- **Simple to build**  
Build bays quickly to get your storage problems sorted fast
- **Will suit any application**  
Versatile and expandable and suits a wide range of industries
- **Interchangeable with EXPO 4 system**  
Mix and match accessories and components with our EXPO 4 systems
- **Wide choice of sizes**  
Flexibility to suit all your storage needs within one product
